Colorbond®

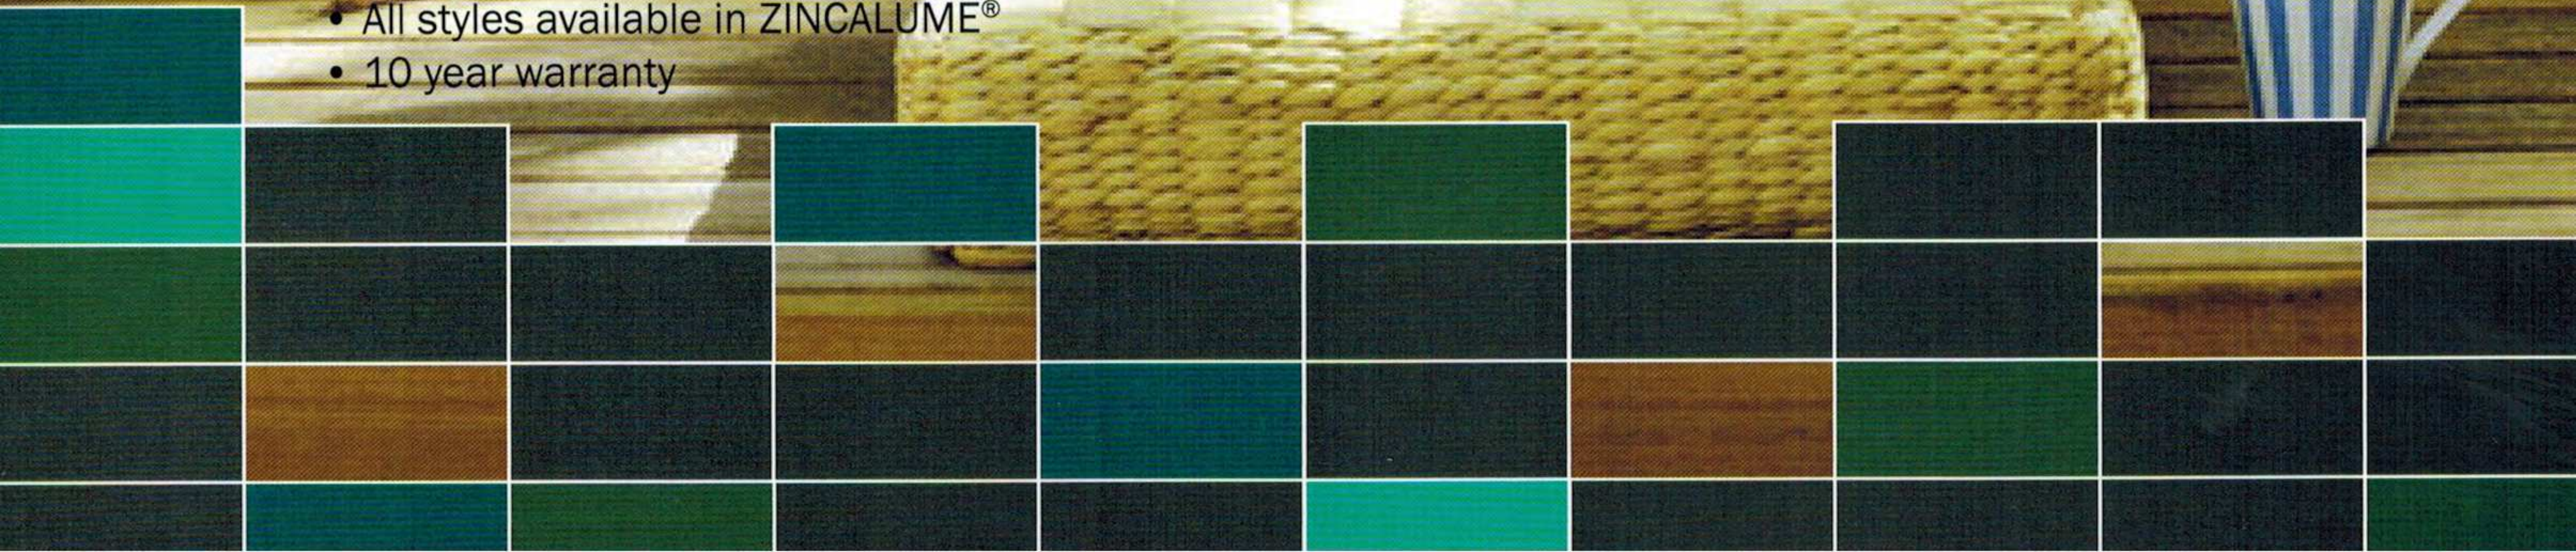

FENCING systems

THE RIGHT PROFILE FOR SECURITY AND

A fence is an extension of your home's style and character. While any fence can provide a simple physical barrier to the outside world, a Metroll fence will complement and enhance your property.

- Three superior profiles, six designer panels, 9 colours and 30 options - a Metroll fence for every style of home
- Low maintenance and resists the elements better than traditional fences
- Termite and fire resistant
- Environmentally friendly - 20% recycled materials with a 30 year lifecycle
- Complies with Australian Standards AS1562.1-1992 and AS4040.2-1992
- Backed by BlueScope Steel, constructed with COLORBOND®
- All styles available in ZINCALUME®
- 10 year warranty
