HDE004	1	Edging Spike 250mm Aluminium	\$1.49

Permanent division for turf, pebble, mulch, pavers, soil, concrete and asphalt.

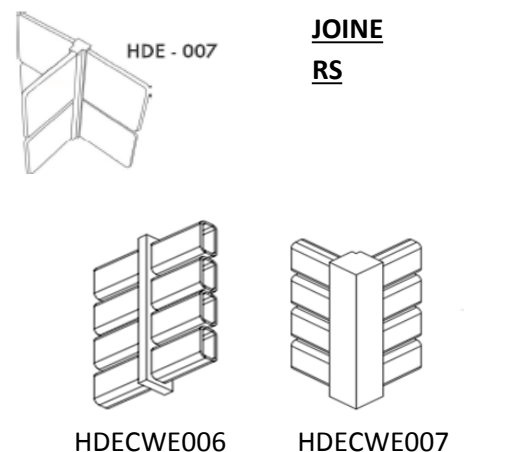

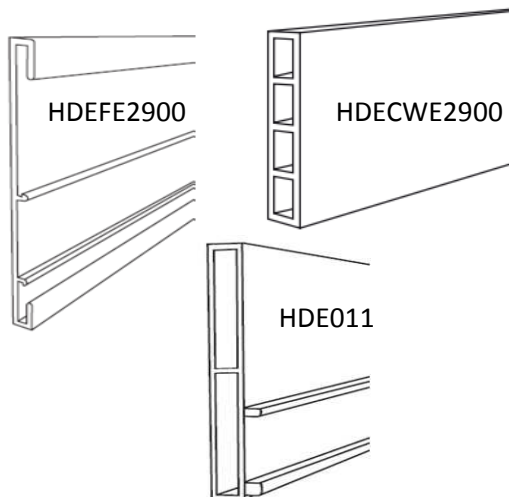

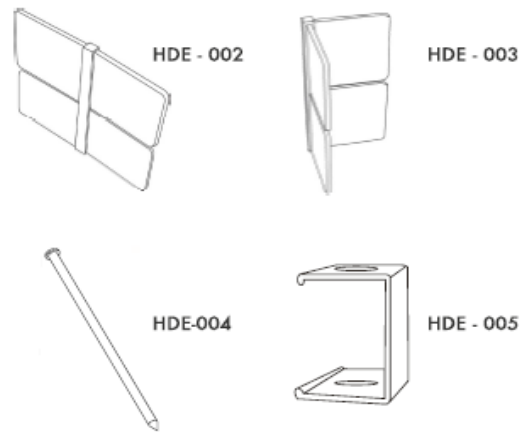

No more cracking, splitting, rotting or fading.

Finally a product that will last... and you can curve it.

The preferred garden edging system used by landscapers... giving you the ultimate EDGE.

So easy to use. Just click it all together with corner and straight joiners and install aluminum stakes.

Just snap on an aluminum clip to guide the stake and hit the stake into the ground.

TYPES OF EDGING LENGTHS

COMPOSITE WOOD JOINERS
